RACING SENSOR

KNEE SLIDER MADE FROM POLYURETHANE

(ONE SIZE) 3PW200023600

RACE PROVEN TRACK RECORD

SUPERTECH R BOOTS

The SUPERTECH R boots have been developed on the racetrack to offer unmatched riding performance. All thermoplastic polyurethane areas have been updated to better protect and aerate the entire foot, while the integrated and removable bio-mechanical inner brace provides additional ankle support. After all, hundreds of professional racers and podiums can't be wrong.

SUPERTECH R BOOTS

RACING BOOTS WITH BIOMECHANICAL, REMOVABLE INNER SHOE

- › Elaborate ventilation system
- › Aluminum inserts in heel area
- › Comfortable entry thanks to zip all the way to the sole
- › Quick-release fastener on inner shoe
- › Ultra-lightweight sole
- › Aerodynamic design: wind-tunnel-tested, super-smooth outer shell
- › Exclusively for KTM by ALPINESTARS

ALL ROADS ALL WEATHER

TOURRAIN WP GLOVES

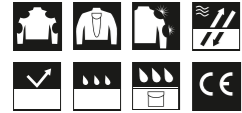

No one likes wet, cold hands – especially when you're out on a long ride. TOURRAIN WP GLOVES are breathable and waterproof, keeping you dry and warm when the clouds suddenly open up. They also offer great levels of protection with palm and knuckle protectors, as well as doubled-up material on impact zones.

DARE TO BE SEEN

RIDING VEST

Let's be honest – being visible to other road users is not a bad thing. This size-adjustable RIDING VEST features a stretch lining construction and secure harness design which supports airflow and prevents flapping at speed. Reflective strips increase visibility at night and low light conditions, while the KTM orange color boosts safety 24/7.
